In some cases wine will need to be collected from the post office.

I agree to receive regular updates from Latitude 37 Pty Ltd and to receive future special offers and promotions including periodical emails with special deals for an indefinite period. .

Release Notes:- 2023 Heathcote Shiraz

The 2023 Heathcote Shiraz is our eighteenth vintage of our flagship wine and was aged in American and French oak. A rich dark purple/plum hue color, showing multi-layered complexity to the bouquet and palate, typical Heathcote fruit driven characteristics balanced with oak and a fine tannin structure. It is an exceptional example of Heathcote Shiraz that will age well with cellaring for up to ten (10) years.

Release Notes:- 2024 Heathcote Sparkling Shiraz

Crafted méthode traditionnelle from grapes produced on rare Cambrian soils, the 2024 Heathcote Sparkling Shiraz shows opulent fruit, creamy lees-derived depth and classic Heathcote balance. Decadent yet refined, finishing bright and dry. A standout expression of the Heathcote region, the wine is to released in February 2026.

Please Enjoy!
