Release Notes:- 2022 Heathcote Shiraz – Release Notes

The 2022 Heathcote Shiraz is our seventeenth vintage of our flagship wine and was aged in American and French oak. A rich dark purple/plum hue color, showing multi-layered complexity to the bouquet and palate, typical Heathcote fruit driven characteristics balanced with oak and a fine tannin structure. It is an exceptional example of Heathcote Shiraz that will age well with cellaring for up to ten (10) years.

Please Enjoy!
