Welcome to our Summer 2025/26 eNewsletter

As we head into the warmth of summer and the festive season, Latitude 37 is delighted to share our latest news from Heathcote. Our 2023 Heathcote Shiraz continues to impress 12 months after release—now one of our most celebrated vintages and already selling swiftly. We're also pleased to offer a first look at our upcoming 2024 Sparkling Shiraz, scheduled for release in early 2026.

Whether you lean toward bold reds or festive bubbles, we look forward to filling your wine rack this summer.

Flagship Heathcote Shiraz 2023 - IN RELEASE

Aged for 21 months in a mix of American and French oak, the Heathcote Shiraz 2023 presents a deep purple-plum hue with generous layers of fruit, oak balance and fine, structured tannins. Our eighteenth vintage is proving to be one of our finest yet—rich, elegant, and built for both immediate enjoyment and rewarding cellaring.

Exceptional value at **\$252 per case (equivalent to \$25 per bottle)**, this is classic Heathcote Shiraz at its best, and we anticipate it won't last long.

Heathcote Sparkling Shiraz (Vintage) 2024 – New Release Preview

A premium **Méthode Traditionnelle** sparkling shiraz, bottle-fermented and crafted with finesse. Expect richness and creaminess from extended time on lees, a vibrant fruit-forward bouquet, and a crisp dry finish that shines in summer.

The 2024 vintage is set for release in early 2026 and promises to be one to watch—perfect for celebrations, warm evenings and festive occasions. Orders are open now for early new year deliveries.

From all of us at Latitude 37, thank you for your continued support. We wish you a wonderful Christmas, a joyful festive season and a safe, prosperous New Year.

Please Enjoy!
